PRIVATE EXPERIENCE

Meeting point in Beaune or nearby (7 guests max)

We then drive South through the world famous “Route des Grands Cru” stopping by three of our iconic vineyards to taste their wines.

Pommard - Les Petits Noizons

From the top of the hill, just at the beginning of the “avant-Dheune” Valley, you enjoy a breathtaking view over Pommard and Meursault in the distance.

One of the Golden Triangle villages

(**Meursault, Puligny-Montrachet or Chassagne-Montrachet**)

Depending on conditions at the time, we stop in one of these villages to visit our vineyard and taste its wine.

Santenay 1er Cru - Gravières

A great south-east facing slope in Santenay, planted in Chardonnay at the top and Pinot Noir at the bottom. We therefore taste its white or red wine.

It is then time to gather in our 15th century vaulted cellar where your expert guide will present you three more wines of the Domaine.
