PRIVATE EXPERIENCE

The experience starts with the history of Château de la Crie founded in 1431 By Nicolas Rolin, (Chancellor of Philippe le Bon, Duc de Bourgogne), and the history of Santenay.

We then move to our monopoly vineyard,

Santenay - Clos du Château

1.5 hectares (3.7 acres), planted with
Pinot Noir and Chardonnay

What a great spot to talk about Burgundy classification, the influence of terroir with a focus on geology, geography and aspect. You learn more about the appellation of Santenay, Château de la Crie vineyards and of course viticulture.

At last it is time to go down into our 15th century vaulted cellar to enjoy six of our Domaine wines during a wine tasting run by one of our wine experts.

Duration: 1h30 / 2h00

49€ TTC per person for a selection of 6 wines

Experience available 7 days a week

Make sure you book your experience in advance
