

GRAND VIN DE BOURGOGNE

CHATEAU DE LA CREE  
DEPUIS 1431

*Premier Cru*

## CHASSAGNE-MONTRACHET

« CLOS CHAREAU »

### Appellation

Chassagne-Montrachet is located in the southern part of the Côte de Beaune. The vines of our Chassagne-Montrachet "Clos Chareau", classified as Premier Cru, are located at the bottom of the slope where they enjoy abundant sunlight. The parcel is situated at an altitude of 220 meters and the terroirs feature, from the top down, Rauracian escarpments, a Callovian slope, reflective Argovian marls, and Bathonian limestones.

### Characteristic

The winter was mild, but the alternation of warm and cool periods slowed the vines' growth cycle, thus budbreak was expected for late March - early April. As spring frost spared our vines, flowering began toward the end of May. A first heatwave came in early July, followed by a second one between August 10th and 25th, slightly delaying veraison. At the Château de la Créée, harvest started on September 3rd under summer conditions. 2023 marks the second consecutive vintage delivering both above-average yields and quality. The Chardonnay has reached optimal ripeness while preserving a lovely freshness. The Pinot Noir shows great aromatic structure.

### Tasting note

The bouquet offers notes of linden honey and hazelnut while the palate displays a generous body and bright acidity. A perfectly harmonious wine, with great strength, energy, structure, and persistence, as well as richness and opulence. The aromas are precise, with pleasant bitter notes (yellow grapefruit, lemon) and hints of butter and vanilla.
