Characteristic

After the dormant winter period, the vines returned to life in clement, warm and dry conditions. At the end of June, the weather changed, becoming cool and damp, but ripening continued nonetheless. The return of the sun and a northerly wind - the signature of September in the Bourgogne wine region - led to ideal conditions for the vines to reach full maturity. Picking began in mid-September in a serene and sunny atmosphere.

Wine-food pairing

Thick cut beefsteak, lamb, or stewed poultry, cheeses with well-developed flavours (Époisses, Langres and Soumaintrain, but also Comté)

Tasting note

The bouquet reveals blackberry, blueberry and redcurrant flavors. When aged, it will develop leather, peppery and chocolates aromas. A win with delicate structure and a strong personality.
