

SANTENAY

« LA CONFRÉRIE »

Appellation

Santenay is located right south to Chassagne Montrachet and is the most southern village of Burgundy famous "Cote D'or" ("Golden Coast") region. The etymology of Santenay is most probably connected to the word "Sanctus" which refers to a sacred place before Christian era. The appellation, 140 ha of planted vines, is composed of three areas, one next to Chassagne, one around the village and one just south of the village. It is today mainly a Pinot Noir planted appellation however the Chardonnay are revealing high potential there.

			Characteristic
Grape variety	2023		The winter was mild, but the alternation of warm and cool periods slowed the vines' growth cycle, thus budbreak was expected for late March - early April. As spring frost spared our vines, flowering began toward the end of May. A first heatwave came in early July, followed by a second one between August 10th and 25th, slightly delaying veraison. At the Château de la Créée, harvest started on September 3rd under summer conditions. 2023 marks the second consecutive vintage delivering both above-average yields and quality. The Chardonnay has reached optimal ripeness while preserving a lovely freshness. The Pinot Noir shows great aromatic structure.
